

## ARTPRIZE FUN FACTS.

ArtPrize started in 2009 as an experiment—and it has grown beyond our wildest dreams.

More than 400,000 people visit every year.

Over 2.4 million votes for public art have been cast, over 9,100 artist entries have been exhibited, and \$3.1 million in cash prizes have been awarded since 2009.

Artists come from around the world to Grand Rapids, representing 48 countries this fall.

Today, ArtPrize is the world's largest art competition.
